## COUNTY LINE

Country line is made with soft, smooth fabric.

Bring subtle, tasteful textures to the party, suggest great looks to please ladies that have never seen us at a party yet.

And that's something the designers behind T County had in mind when putting together the line. It's

Because our fabric is better than anyone from Banana Republic, but with T County, you have for the guy who can wear a shirt with subtle lines, patterned and not give a crap if your friends judge based on your look.

The line is also well suited to the top fashion trends and suggestions have an understated edge with the addition of neutral color palette, graphic pattern, layered and subtle, subtle and with soft, smooth fabric that is a perfect fit for the party.

T County has been a leading name in the industry, and this collection is one of the latest additions to the line. It's a great way to see a variety of styles that can get ahead on the way to the party wearing the right things.
