Jessica's breasts weren't as perky in the past. For extra support, "I have to wear two sports bras when I jog," she's admitted.

**ROUND NOW**  
She showed off her assets as she enjoyed a girls' night on April 16.

While her rep denies she's had a lift or implants, plastic surgeon Dr. Valerie Ablaza (who hasn't treated Jessica), says, "I think she's had implants. We all know push-up bras do a lot for women, but her dress looks too skimpy to hold one."
