Plant-Derived Spa Therapy

Plantogen is now offering an intensive hydrating moisturizer packed with plant extracts, vitamins and antioxidants in a liposomal solution to ensure targeted delivery. The silky cream contains natural Manuka honey, green tea, chamomile extracts, vitamin E and vitamin C, wheat germ oil, apricot kernel oil and lecithin to help diminish fine lines and reduce signs of premature aging while relieving dryness. Skin feels softer, smoother and firmer. Available at Plantogen.com or at Capella Salon (713-419-2058). \$49.50
