Winter weather arsenal

With cooler weather approaching, **Plantogen** offers professionals products designed to supplement skin with nourishing and moisturizing components. Plantogen's three-step arsenal includes the **Purifying Cream Cleanser with Manuka Honey and Chamomile**, which lifts impurities without drying; the **Toner for Normal to Dry Skin**, which soothes and refreshes; and the **Hydrating Moisturiser with Manuka Honey and Vitamin C**, which reduces signs of premature aging. www.plantogen.com
